Design Measures

Erasmus Mudnus – scheme

“This action aims at fostering excellence and worldwide internationalisation of higher education institutions via study programmes – at Master course level – jointly delivered and jointly recognised by higher education institutions (HEIs) established in Europe, and open to institutions in other countries of the world.”

- ▣ **Erasmus Mundus Design Measures**

- ▣ **Erasmus Mundus Joint Masters**

Erasmus Mundus Design Measures

Part I

Purpose

“[...] to encourage the development of innovative, highly integrated new international study programmes at Master level.”

Targets study programmes that are:

- **Innovative**
- **Underrepresented**
- **Seek to employ „European Approach“ for accreditation**

Result: “[...] at least launch any accreditation/evaluation process before the end of the project [...]”

Who can apply

- ❑ legal entities (public or private bodies); higher education institutions established in one of the eligible countries (an EU Member State or third country associated to the Programme); holders of the ECHE certificate (Erasmus Charter for Higher Education)
- ❑ the project must include activities that involve higher education institutions from one or more countries not associated to the Erasmus+ programme
- ❑ mono-beneficiary projects
- ❑ this action follows a lump-sum funding model
- ❑ the EU grant per project is as follows: EUR 60 000 (15 M)

Common deliverables

- integrated curriculum delivered by a consortium of HEIs
- joint student admission requirements and application, selection, monitoring, examination/performance evaluation rules/procedures
- a draft joint partnership agreement involving at least three HEIs
- draft joint Student Agreement
- plan for common services offered to students (e.g. language courses, visa support); degree awarding mechanism

DISCUSSION POINT: Which items from the list you already have and what you lack?

Erasmus Mundus Joint Masters

Part II

Purpose

“EMJMs are programmes of excellence and should contribute to the integration and internationalisation of the European Higher Education Area. The specificity of EMJMs lies in the high degree of jointness/integration among the participating institutions and the excellence of their academic content.”

Objectives:

- (i) institutional academic cooperation to showcase European excellence in higher education, and
- (ii) individual mobility for all students taking part in the EMJM, with EU-funded scholarships for the best students applying

Procurement rules

- a consortium of at least 3 HEIs (beneficiaries; not affiliated entities) from 3 different countries, of which at least 2 different EU Member States and/or third countries associated to the Programme
- At application stage, EMJM proposals must present fully developed joint study programmes, ready to run and to be advertised worldwide immediately after their selection (proof of accreditation)
- each of the two mandatory study periods must correspond to a workload of at least one academic semester (30 ECTS credits or equivalent)
- up to 5 000 000 EUR (74 M)

Budget

- contribution to the institutional costs for the implementation of the programme (max. 750 EUR/M; cap. 100 + 20 from dif. schemes)
- a maximum number of student scholarships to be awarded throughout the duration of the agreement (max. 1400 EUR/M; cap. 50 + 20 from dif. schemes)
- a top-up intended to cover individual needs of students with disabilities
- no more than 10% of the total number of scholarships awarded during project implementation should be awarded to candidates from the same nationality

DISCUSSION POINT: Do you understand the principles of budget allocation?

Impact – system level

- Foster academic cooperation within the EHEA and beyond by supporting joint teaching and qualifications, quality improvements, promotion of academic excellence
- Enhance the international dimension of higher education through cooperation between institutions in Europe and abroad, and through mobility for the best students worldwide
- Increase the synergies between higher education, innovation and research
- Remove barriers to learning, improving access to high quality and innovation-driven education and making it easier for learners to move between countries
- Respond to societal and labour market needs
- Contribute to the development of innovative education policies

Impact – institutional level

- Provide European and non-European HEIs with more opportunities for structured and sustainable academic cooperation worldwide
- Improve the quality of programmes at Master level and supervision arrangements
- Increase the internationalisation and competitiveness of participating organisations
- Support the creation of new networks and enhance the quality of existing ones
- Increase the attractiveness of the participating organisation(s) towards talented students
- Contribute to the internationalisation policies of HEIs by developing international awareness through their curricula and the design of comprehensive internationalisation strategies

Impact – individual level

- ▢ Improve the employability of participating students
- ▢ Improve key competences and skills of students
- ▢ Forge new mind-sets and approaches to academic studies through international, interdisciplinary, intersectoral and intercultural experience
- ▢ Enhance networking and communication capacities of the students
- ▢ Increase the individual contribution to the knowledge-based economy and society

Common deliverables

- Project website
- Promotion material
- Student Agreement template
- Degree template(s)
- Signed minutes of the selection meetings
- Internal / external quality review reports
- Sustainability / business plan

Accreditation & QA – setting

- The study programme must be accredited in all countries of participating degree awarding HEIs
- At application stage, all degree awarding partners must provide „Proof of Accreditation“, draft Consortium Agreement
- 4EU+ Quality:

„Thus, quality assurance of the single parts (i.e., courses, modules) is accounted for by the respective member university, quality assurance of the programme as a whole is accounted for by the joint committee. The committee meets at least once a year. Students' representation in the joint committee is mandatory, and there is one coordinator for each member university whose name is indicated in the respective cooperation agreement.“

Accreditation & QA – typology

- ▣ Institutional accreditation
- ▣ Programme based accreditation
- ▣ European Approach for Quality Assurance of Joint Programmes

Institutional & programme based

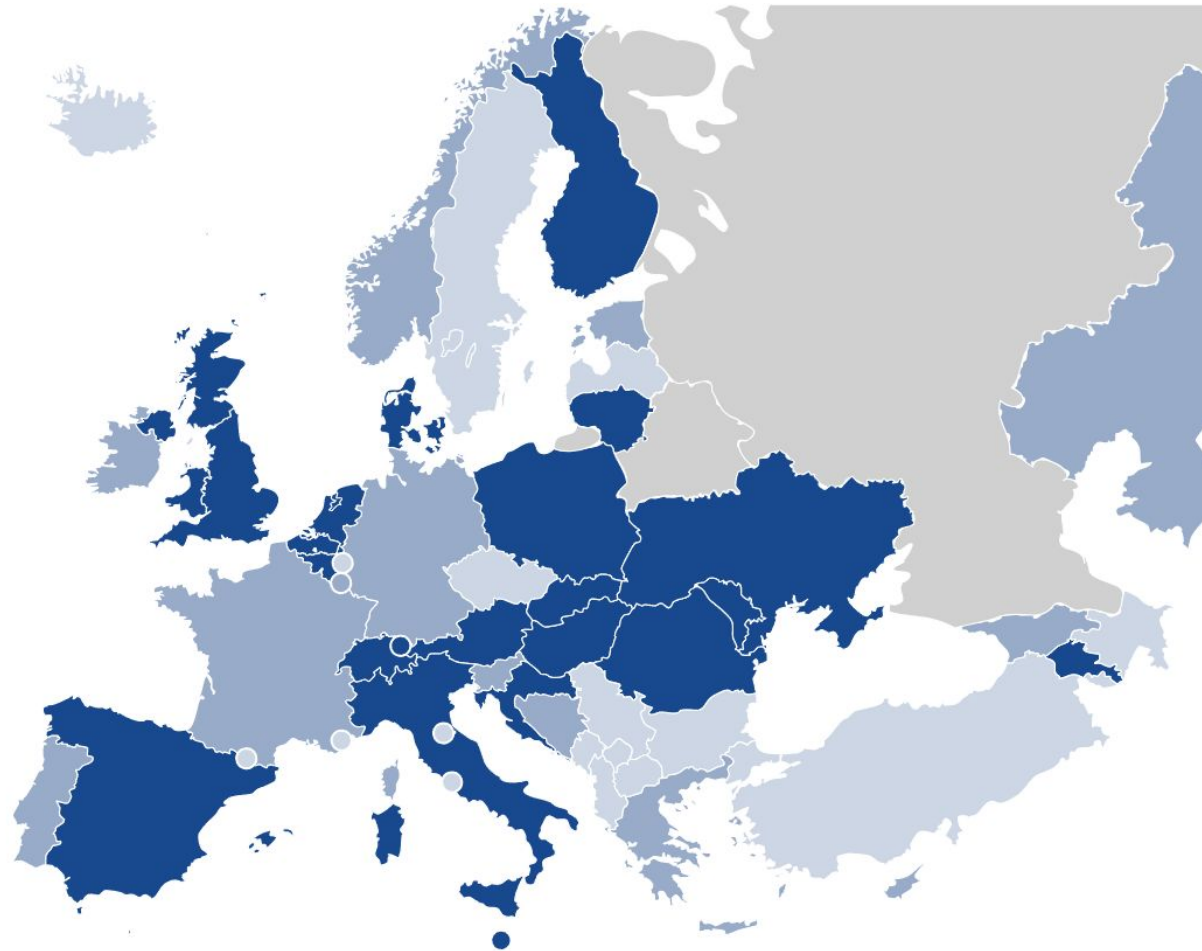

- Proposal (Dean's Board/SC)
- Extended Rector's Board
- Preparation of documentation (specific subsection of the JP)
- Scientific Council (faculty)
- Academic Senate (faculty)
- Internal Evaluation Board

European Approach

One joint procedure

- Self-evaluation report preparation, 6-12 M
- External review (panel + site visit), 3-5 M
- Assessment report finalisation, 1-2 M
- Accreditation decision, 1-2 M

Realistic timeline: 9-18 (6-12) M; Cost: 24 000 € / 1 000 €

DODATEK K DIPLOMU • DIPLOMA SUPPLEMENTDiplom č.: • Diploma No.: **DM2320190326**

Tento dodatek k diplomu odpovídá modelu vytvořenému Evropskou komisí, Radou Evropy a organizací UNESCO/CEPES. Účelem dodatku je poskytnout odpovídající nezaujaté údaje, které přispívají ke zlepšení mezinárodní 'průhlednosti' a spravedlivosti akademického a profesního uznávání kvalifikací (diplomů, titulů, ovědčení atd.). Dodatek je určen pro popis podstaty, obsahu, úrovně a postavení studií, které byla uskutečněna a společně dokončena držitelem kvalifikace, ke které je tento dodatek připojen. Dodatek nemá obsahovat žádné ocenění, prohlášení o rovnocennosti nebo doporučení k uznání. Je třeba, aby všech osm částí dodatku bylo vyplněno. Tam, kde informace poskytnuty nebudou, mělo by být uvedeno: vyvěřeno proč.

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES. The purpose of the supplement is to provide sufficient independent data to improve the international 'transparency' and fair academic and professional recognition of qualifications (diplomas, degrees, certificates etc.). It is designed to provide a description of the nature, level, content, context and status of the studies that were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended. It should be free from any value judgments, equivalence statements or suggestions about recognition. Information in all eight sections should be provided. Where information is not provided, an explanation should give the reason why.
