

Heidelberg University (UHD)

Internal regulations regarding issuing joint programmes degrees (double/multiple/joint degree)

Diplomas for double and multiple degrees have to be linked by a reference to the other diplomas that are part of the programme

The joint degree has to be certified on one common diploma.

All regulations including the automatic recognition of competences/examination results/components/ECTS by a partner institution and regarding the issuing of a joint certificate will be addressed in the consortium agreement.

In Baden-Württemberg, double/multiple and joint degrees can be issued.

Specific regulations have to be checked in advance with the specific study unit (institute/department/faculty).
