

Join the workshop on post-mining sites restoration in Sokolov!

Univerzita
Karlova

 EUROPEAN
UNIVERSITY
ALLIANCE

As mining operations cease across Europe, the future of post-mining sites has become a topic of ongoing debate. Join us for a workshop to explore innovative approaches to repurposing these landscapes and unlocking their potential as catalysts for green energy, job creation, and ecological preservation. Together, let's transform post-mining sites from symbols of industrial decay into pillars of a sustainable future.

The trip is **free of charge** and includes lunch.
Spots are limited, so register early on a first-come, first-served basis.

18 OCTOBER 2024
