

# 4EU+: Quantum Information and Quantum Many-Body Theory

blended course

7 March - 28 June 2024

apply by  
1 March  
2024

## Target Group

Master students and PhD students. The course is open to all interested students, but travel grants for participation in the summer school are subject to selection.

## Schedule

The course will consist of three phases:

- **7 March - 2 May 2024:** Online lectures (~one lecture every other week, 7 lectures total)
- **2 May - 31 May 2024:** Assignments, to be presented as posters at the summer school
- **24 June - 28 June 2024:** Summer school in Copenhagen (~24 hours of lectures)
